The Forum of the University of Wisconsin-Eau Claire brings to all members of the University community the opportunity to see and hear some of the world's outstanding speakers. Begun in 1943, the Forum has the tradition of being one of the longest continuing programs of its kind in the United States. Brilliant and thoughtful, the men and women who have appeared on the Forum platform have greatly enriched the life of the community.

The program for 1982-83 reflects the continued effort of the Forum Committee to respond to the interest and needs of the day, while maintaining the Forum tradition. In addition to the major speakers making up the Forum Series, another group of events identified as "Specials" will be presented. These "Specials" will enable the committee to bring to Eau Claire speakers whose schedules prohibit long-range commitments and speakers whose topics are more specialized. The combination of the Forum Series and the Forum "Specials" will give the 1982-83 season both substance and excitement.

In order to provide Forum members with the most desirable seating, Main Floor chairs in the University Arena will be reserved. Membership in the Forum is $12 (or special University I.D. rate). Please use the order form provided when ordering memberships and order before September 15 to be assured of your same seat. Orders will be filled in order of receipt, with current members receiving priority. (Note: To be seated with friends who order separately, please clearly print their name(s) on the order form.)

The Forum lectures, which are usually held in the University Arena, begin promptly at 8 p.m. and last until approximately 9:30 p.m. with the final thirty minutes reserved for a question and answer session. Following each lecture an informal coffee is customarily held in the W.A. Davies University Center, giving those in attendance an opportunity to meet the speaker personally. Books by the Forum speakers are often available at the University Bookstore in the Davies Center well in advance of their appearance.

NO REFUNDS. ALL SALES FINAL. UW-EC ID's must be presented at the door with tickets purchased at the special ID rate.
**BETTY WILLIAMS**  
Wednesday, October 6, 1982  
University Arena 8 p.m.  
"Can There Be Peace in Northern Ireland?"

Horrified by the senseless killing of Irish children, Betty Williams and Mairead Corrigan rallied people together in protest, creating the Community of Peace People. They were awarded a Nobel Peace Prize in 1977—the first women to be given the award since 1946. When asked how to stop the killings, Williams simply replied, "Stop shooting."
