Tuition deposits will not be refunded after May 1.

The University reserves the right to review your residency status if such action is deemed appropriate.

Minnesota Tuition Reciprocity: Minnesota students must file for reciprocity to ensure the reduced tuition. Reciprocity forms are available after April 1 and you may file on-line at the Minnesota Office of Higher Education at www.getreadyforcollege.org. SENIOR YEAR

Since you have yet to graduate from high school, your acceptance is tentative pending the receipt and review of your final transcript. Incoming freshmen are expected to continue to meet university admission standards and successfully complete their senior year coursework.

If your circumstances result in a change of senior year coursework, please consult our office on such schedule changes. **Altering or failing coursework could result in cancellation of your admission.**

At the completion of your senior year, you need to provide a final high school official transcript for a review of your senior grades and certification of graduation. Your admission will become final only after it is determined that you continue to meet university admission standards.

COLLEGE CREDIT

If you have taken college courses prior to high school graduation or have attended or plan to attend a college summer session prior to entering UW-Eau Claire, you are required to have that college send an **official** transcript to the Admissions Office. This includes college coursework taken at your high school (CAPP, CIS, PACC, etc.). **Failing coursework could result in cancellation of your admission.** Send in an official transcript after the \$100 tuition deposit for a formal evaluation of credit and again after all coursework is completed if any coursework was in progress at the point of evaluation.

If you have taken or will take College Board Advanced Placement (AP) examinations, please have your official scores sent to the UW-Eau Claire Academic Testing Office. UW-Eau Claire's institutional code is 1913.

If you have taken College Level Examination Program (CLEP) General Examinations or Subject Examinations, have your official scores sent to the UW-Eau Claire Academic Testing Office for consideration for college credits.
