

## Second Degree Advisors

### College of Arts and Sciences (Liberal Arts)

- Dr. Michael Weil** (715)836-2025  
Your initial appointment will be with the Associate Dean to discuss your goals in enrolling for a second degree. After this appointment, you will need to meet with a representative of the department of your major. If you wish to have both of these appointments in one day, please be sure to set them both up ahead of time.

### College of Business

- Accounting and Finance – **Dr. D’Arcy Becker** (715)836-2184
- Management and Marketing – **Dr. Timothy Vaughn** (715)836-3677
- Information Systems – **Dr. Thomas Hilton** (715)836-4320
- Business Communication – **Dr. Jack Hoggatt** (715)836-4877
- Health Care Administration – **Dr. Timothy Vaughn** (715)836-3677

### College of Education and Human Sciences

- Curriculum and Instruction – **Kelly Berg-Schwartz** (715)-836-3128  
(Elementary Education, Secondary Education)  
Please speak with the program assistant or the Program Chair who will begin the audit of your transcripts against the required coursework and experiences leading to teaching licensure in the state of Wisconsin. When you call, be sure to identify the areas in which you are desirous of being certified.
- Special Education – **Dr. Rosemary Battalio** (715)836-5511
- Department of Education Studies – **Dr. Janet Amann** (715)836-5790
- Communication Sciences and Disorders – **Dr. Marie Stadler** (715)836-4186
- Kinesiology – **Dr. Matt Wiggins** (715)836-3840
- Social Work – **Dr. Vanda Galen** (715)836-4435

### College of Nursing and Health Sciences

- Nursing – **Dr. Rose Jadack** (715)836-5044

A student who has earned a baccalaureate degree from an accredited college or university and who subsequently becomes a candidate for a second baccalaureate degree from UW-Eau Claire must:

- (1) present 30 credits beyond the first degree, of which at least 23 must be taken in residence
- (2) meet all major/minor and other degree-specific requirements of the second degree
- (3) meet the cultural diversity requirement

It is presumed that candidates for the second baccalaureate degree have met the following University graduation requirements: English competency, mathematics/statistics competency, foreign language/foreign culture, general education, physical activity and wellness, and service-learning.

All second degree students must have their transcripts reviewed and their plan of study approved by an Associate Dean in the College of their major.

***It is your responsibility to meet with the appropriate advisor listed below to discuss your academic plans and course selection prior to registration.***
