### IMPORTANT NOTES
This guide is designed to help prepare students from CVTC transfer to UW-Eau Claire by identifying courses that will satisfy UWEC requirements. Please consult with the UWEC Catalog for the complete list of academic requirements.

**Caution:** Student should plan to transfer when approximately 30 credits of transferrable courses are completed to stay on track for timely graduation.

It is also highly recommended that you work with CVTC and/or UWEC advisers/counselors in scheduling courses and planning your transfer. In addition to your current CVTC counselor, listed below are contacts at UWEC who can help answer additional academic questions.

“GE” refers to General Education at UW-Eau Claire. Courses designated as GE-IA, GE-IB, GE-II, GE-III or GE-IV will meet university requirements in General Education. If a course is not designated as GE, it will transfer to UW-Eau Claire but it will...
NOT meet any General Education requirements. **Individual majors at UW-Eau Claire may have specific GE requirements.** We recommend that CVTC students contact the Associate Director of Admissions regarding specific GE courses for their program.

**A MAXIMUM of 72 credits of coursework will be granted to students.** This includes 100 and 200-level general studies courses, as well as approved occupational courses.

If you are receiving military benefits, you will need to take 200 level courses only (listed as 8__2__) or see a veteran advisor at CVTC for further information.

If you are receiving financial aid, you will need a certain number of 200 level courses (listed as 8__2__). Please refer to the CVTC financial aid website regarding the 150% rule for further information.

Occupational/technical courses leading to an applied associate degree may also be considered for transfer if the quality and content of the coursework from CVTC is judged to be comparable to coursework at UW-Eau Claire. Please refer to the Transfer Information System website listed below, or contact the UW-Eau Claire Admissions Office for information about the current transfer policy.

Information about transfer agreements is available at the Transfer Information System website: [http://tis.uwsa.edu](http://tis.uwsa.edu).
