McIntyre Library

Program mission statement

McIntyre Library is a dynamic research environment that supports the University mission with a place, people and collections that promote the integrated pursuit of learning.

Program-level Outcomes

- Students, faculty and staff will access resources that support their information needs, regardless of format, time or location.
- Students will apply a repertoire of creative and flexible information-seeking strategies in order to navigate the unfamiliar, take action or solve a problem.
- The Library will collaborate with faculty and staff to nurture critical thinking and inquiry based learning.
- The Library will provide an inviting, relaxed environment that promotes learning, creative thinking, and productivity, thus enhancing the university experience and creating a physical environment conducive to study and inquiry.
