Leadership Certificate

Objective:

Students completing a leadership certificate will demonstrate the ability to provide leadership in an organization.

Measurement:

This objective will be measured by a) evaluating a leadership resume submitted by the students for the quantity and quality of leadership experience that they have had, b) evaluating a reflection paper submitted by the students, and c) through an outside assessment of the students’ leadership abilities provided through a recommendation letter from a third-party who was able to observe the student’s leadership abilities first-hand.
