A Tour of the Night Sky: Astronomy

with Dr. Nathan Miller, Department of Physics and Astronomy

How often have you marveled at the beauty of the night sky and wished that you knew more about what you were witnessing? In this course you will learn how to use a planisphere and telescope so that you can locate stars, constellations and planets year round from your very own backyard...

Thursdays, Sept. 10, 17, 24 & Oct. 1	6:30 to 8:30 p.m.	UW-Eau Claire Campus	\$95	PR100-102
--------------------------------------	-------------------	----------------------	------	-----------

Screenwriting for the Film Industry

with Dr. Wil Denson, Emeriti Faculty, Department of Music & Theatre Arts

Whether you are a movie buff or someone interested in working in the film industry, you'll find a great deal to capture your imagination in this workshop. You'll learn about the practical realities of writing for the film industry: saleable ideas, format, marketing and character writing from a script-writer with years of experience in the field...

Tuesdays, Sept. 15, 22, 29, Oct. 6, 13, 20, 27, Nov. 3	6:30 to 7:45 p.m.	UW-Eau Claire Campus	\$95	PT101-102
--	-------------------	----------------------	------	-----------

Exploring the Glacial Landscape of Chippewa County

with Dr. Kent Syverson, Department of Geology

Did you know that a powerful glacier half a mile thick shaped Chippewa County's beautiful present-day landscape? This guided coach tour will introduce geologic evidence for ancient oceans, volcanoes and glaciers that once existed right here in Wisconsin. You'll also learn how a glacial geologist "reads" and interprets the land around us...

Saturday, Sept. 26	8:30 a.m. to 5 p.m.	Guided Coach Tour	\$95 + course materials (\$15)	PR102-101
--------------------	---------------------	-------------------	--------------------------------	-----------

Writing and Publishing Young Adult Fiction

with Marsha Qualey

Are you an adult who is interested in writing and publishing fiction for the young adult (YA) audience, ages 12-18? In this workshop, you'll discuss craft issues relevant to YA fiction, study master writers in the genre and take a close look at trends in publishing for this unique group—all with the guidance of an award winning author of nine YA novels...

Saturday, October 24	9 a.m. to 5 p.m.	UW-Eau Claire Campus	\$95	PT103-102
----------------------	------------------	----------------------	------	-----------

Beginning Bird Identification

with Dr. Terry Balding, Emeriti Faculty, Dept. of Biology — **Sign up now for Spring!**

Discover the amazing ornithological diversity that Chippewa Valley has to offer. In this seminar/field excursion, learn how best to use binoculars and bird guides for in-the-field bird identification. By focusing on song awareness, plumage, behavior, habitat, season, and geography, you'll be ready to put your new skills to use in the outdoors...

Saturdays, March 13, 20, April 10, May 15	8:30 to 11:30 a.m.	UW-Eau Claire Campus & Area Sites	\$95	PT150-104
---	--------------------	-----------------------------------	------	-----------
