Viewing Graphical Results

1. Click on the Display/Hide Results button on the i>clicker Toolbar.

2. This will display the results from the last polling session.

3. To designate a correct answer, select the Correct Answer button at the bottom of the graph window.
   a. Check the box for the letter that coordinates with the correct answer.
   b. Select Apply.
   c. This will assign credit to the students who answered correctly.

4. The graph will change the colors of the bar to display the correct answer in green.

5. Use the icons at the bottom of the window to apply a filter, compare graphs, or change the type of graph the results are displayed in.

6. Use the arrows at the bottom of the graph window to display graphs from previous polls.
