Inclusive Teaching as a Path to Better Learning: References & Resources
Kathryn M. Plank, Otterbein University
University of Wisconsin – Eau Claire, 29 August 2013

Note: Some of these are scholarly sources; others are short, practical resources based on scholarly work. For the latter, I’ve tried to provide resources that link you to key scholars or works in the area.

Fast Facts for Faculty. The Fast Facts for Faculty publications are information briefs designed to help college and university instructors improve the climate and quality of education for students with disabilities. Available at http://ada.osu.edu/resources/fastfacts/
