Welcome to Eau Claire!

Dear Student,

Welcome to UW-Eau Claire! We are excited to meet you at International Student Orientation.

Orientation begins on Tuesday, January 20, at 8:00 a.m. in the Davies Center at UW-Eau Claire. You are required to attend the entire orientation. You will have the opportunity to meet students, register for classes, learn about immigration regulations, employment, health insurance, banking, housing, campus facilities, and student life at UW-Eau Claire.

During orientation, you will have student guides, called Peer Guides, to assist you. The Peer Guides have a great deal of expertise and experience at UW-Eau Claire.

We strongly encourage you to participate in the Host Friend Program, which is from January 16-20. The deadline to apply is November 30, 2015. If you choose to participate, you will stay with an American friend for a few days before orientation. Most students find this time with their hosts very pleasant and relaxing. Hosts introduce you to American life, the city of Eau Claire, and serve as excellent resources for you throughout your time at UW-Eau Claire.

You will move into your residence hall on Wednesday, January 20, at 7:45 a.m. As soon as you know your arrival day and time, please email your arrival information to hostfriend@uwec.edu. We do not pick up students in Minneapolis or St. Paul. If you are arriving in either of those cities, you should arrange your own transportation to Eau Claire. If you arrive between January 16-20, your host friend will meet you either at Chippewa Valley Regional Airport or Chippewa Valley Airport Service shuttle terminal in Eau Claire.

We look forward to welcoming you to UW-Eau Claire soon!

Sincerely,
The Center for International Education Staff

On-Campus Housing

Deadline for guaranteed housing in residence halls:
July 1 (Fall Semester)
December 15 (Spring Semester)

Refer to your acceptance email for information on how to register.

UW-Eau Claire has twelve residence halls, and guarantees rooms for new international students. Roommate assignments are made through the Housing Office. Prior to your arrival, you will receive an email from the Center for International Education indicating which residence hall you will be living in and your roommate’s contact information. We encourage you to contact your roommate before you arrive, as they will not have your contact information. All rooms have two beds, two desks, book shelves, closets, and dressers. Toilet and shower facilities are in a common area shared by other students on that floor. Bedding and linens are provided to international students.

The Residence Halls and the Center for International Education do not have the storage space to receive your personal packages before your arrival. Please have packages sent to your residence hall after your arrival in Eau Claire. Some halls close during holiday breaks. Students may need to move to other halls. Please contact your hall director and plan ahead.

Vaccines

Wisconsin State Stature 36.25(46) requires that all students who will be residing in a campus residence hall to receive information regarding the risk associate with Hepatitis B and Meningococcal disease and the effectiveness of the vaccines available to prevent these diseases. You are not require to have vaccinations for these diseases. If you wish to receive vaccinations, you may receive them at student Health Services.
English & Math Placement Testing

**ESL Placement Exam**

The purpose of this exam is to determine whether each non-native speaking student’s language proficiency is sufficient for active involvement in UW-Eau Claire coursework.

If you have a TOEFL score of 79 iBT or 550 pBT or higher, you do not need to take the ESL Placement Exam. However, you must provide proof of the TOEFL score with your application.

**Math Placement Exam**

The math placement test is required of all students who are seeking an undergraduate degree at the university, unless you have transferred math credits to UW-Eau Claire. The test serves as an advising tool so that students are placed in the appropriate math classes.

You may learn more about the test at: www.uwec.edu/testing/placement/math.htm

If you believe that you may have transfer credit which satisfies UWEC’s math requirement, please contact Ms. Heather Pearson in the Admissions Office at pearsonh@uwec.edu.

Preparation Checklist

Below is a list of important tasks for you to complete.

- Activate your email account.
- Pay your registration & housing deposit.
- Submit your Payment Plan Agreement.
- Register for housing.
- Obtain your F-1 or J-1 visa to study in the United States.

- **Optional:** Complete a student profile for the Host Friend Program. To apply, go to www.uwec.edu/cie, then click on the “host Friend Program” website, select the “Students” icon button and then follow the “How to Apply” link. The deadline to apply for the program is November 30, 2015. Your profile will be used to match you with a host friend in Eau Claire. Please remember that in order to participate in the program, you must arrive no later than January 16, 2016.

- Purchase an airline ticket that will allow you to arrive in Eau Claire to participate in orientation. You must arrive in the U.S. before your program start date. Your return flight should not depart before your program end date. *Program start and end dates are listed in #5 on an I-20 and #3 on a DS-2019*

- If you do not participate in the Host friend program or you arrive early, you should make a hotel reservation.

- Send your arrival date and time to hostfriend@uwec.edu

*Note: We do not recommend you carry a large amount of cash with you.*
Obtaining your U.S. Student Visa

**Your I-20 or DS-2019 Document**

The I-20 or DS-2019 will allow you to apply for your F-1 or J-1 student visa at a U.S. Embassy or Consulate. Applying for a U.S. visa can take anywhere from one day to four weeks or longer.

**SEVIS Fee**

The SEVIS fee is imposed by the USCIS (United States Citizenship & Immigration Services). The SEVIS fee must be paid and the I-901 Form (SEVIS fee receipt) must be fully processed before the applicant arrives at the consulate. You will not be issued a visa without paying this fee. Payment may be made by credit card, debit card, check or money order.

Applicants must bring a SEVIS fee payment receipt with them for the visa interview, or, for those who do not need a visa, to the U.S. port of entry. Having a receipt for the SEVIS fee payment will facilitate the visa application process. However, if you are unable to print a receipt from an online payment and/or do not receive your mailed receipt in time for your visa interview you can still go to your interview and attempt to obtain your visa as long as your fee has been processed by the Department of Homeland Security.

**Entering the U.S.**

To enter the U.S., you will need your I-20 or DS-2019, passport, I-901 payment receipt, and visa. Do not attempt to enter the U.S. without these documents. Please contact your local embassy or consulate to determine if there are other entry requirements specific to your country.

Orientation Week

**Transfer Students**

Students transferring from another college or university will receive an official transfer credit evaluation from UW-Eau Claire. In some cases, this evaluation will be included in the acceptance package. In other cases, it will be provided when the student arrives at UW-Eau Claire for orientation.

International students who transfer from institutions within the United States must complete transfer procedures with the United States Citizenship & Immigration Services (USCIS). Notify your present university that you are transferring, so your International Student Adviser can help you with the immigration transfer procedure. Your present university must release you from SEVIS (Student Exchange Visitor Information System) before your new university (UW-Eau Claire) can issue you a DS-2019 or 1-20 form.
Orientation Week

Attendance for the entire week is required for all international students.

The Peer Guide Program

Peer Guides have been selected to assist you during your arrival and orientation to the university. They come from a variety of backgrounds, countries, and majors. You will be introduced to your Peer Guides on the first day of orientation. New international students are placed in small groups ranging from 8 to 10 students and assigned to a Peer Guide. You may ask them questions and get to know them.

Your Peer Guide will:

- Introduce you to UWEC
- Provide a campus tour
- Provide essential information on social customs in the U.S.
- Assist you in the registration process.
- Answer your individual questions

Obtaining your U.S. Student Visa

Tips for the Visa Interview

1. Tell the truth
   
   Be honest. Do not lie or answer questions falsely. Students have been denied visas for presenting false information.

2. Ties to your Home Country
   
   You must be able to show that you have reasons for returning to your home country that are stronger than those for remaining in the United States. Ties to your home country that bind you to your homeland, or current place of residence, such as your job, family, financial prospects that you will own or will inherit, investments, etc.

3. Financial Support
   
   Make sure you bring sufficient proof that you have enough money to support yourself in the U.S.

4. English
   
   Anticipate that the interview will be conducted in English and not in your native language. One suggestion is to practice English with a native speaker before the interview, but do not prepare speeches. If you are coming to the U.S. only to study English, be prepared to explain how English will be useful for you in your home country.

5. Know the Program and How It Fits your Career Plans
   
   You should be able to explain how studying in the U.S. relates to your future professional career.

6. Employment
   
   Your main purpose in coming to the U.S. should be to study, not to work in the U.S. before or after graduation. While many students do work on-campus during their studies, employment is not the main purpose of their U.S. education.

Please visit the website of the U.S. consulate in your home country for further information about the preparing for your visa interview.
