Yesterday, University of Wisconsin-Eau Claire faculty voted 233-87 in favor of AFT-Wisconsin representation. Of the 368 faculty who were eligible to vote, 322 cast ballots. Faculty, both past and present, have been instrumental in creating a unique campus culture that has resulted in our long-standing and well-earned reputation for excellence. As we move forward with this process, I am confident we will continue efforts to not only preserve but enhance the tradition of mutual commitment to student success.
