NEW TRANSPORTATION TO LATE NIGHT FUN!!

This fall we're piloting a new service to students called the Saturday Night Shuttle. This ride to shopping, entertainment, and restaurants runs 6pm-2am on Saturday evenings, allowing students without cars to travel to options beyond walking distance at night (the city bus service stops at 6pm on Saturdays). Even more exciting, is that local businesses have donated prizes that are given away randomly to bus riders who are able to answer trivia questions on the ride! This service differs from other transportation options in that it travels a set route, is free to students with ID cards, and alcohol is not allowed. Check out the schedule online by clicking here or by scanning the QR code below with your smart phone.

ARE YOU A HELICOPTER PARENT?

Some of you may have heard the term “helicopter parent,” which describes this generation of parents, ones who hover over their children and swoop in at the slightest bit of trouble (also called “over-parenting”). [Read more about it here, and take a short quiz to determine if you may be a “Helicopter Parent”:](#)

UW-Eau Claire’s Patti See has worked in the Academic Skills Center since 1994. She supervises tutoring programs and teaches developmental education classes for at risk students, and she also teaches in the Women’s Studies Program.

When her son started college in the fall of 2009, she kept notes about their experiences. [“Confessions of a \(Sometimes\) Helicopter Parent”](#) chronicles how this university staff member struggled to let her son make his own mistakes.

The Artists Series

THE MYSTICAL ARTS OF TIBET MANDALA SAND PAINTING

OPENING CEREMONY • MONDAY, SEPTEMBER 12

CLOSING CEREMONY • FRIDAY, SEPTEMBER 16

SKYLIGHT LOUNGE OF DAVIES CENTER • NOON

The sacred art of painting with colored sand grains is a Tantric Buddhist tradition involving more than 30 hours of painstaking work. Millions of grains of sand are painstakingly laid into place on a flat platform over a period of days or weeks. The lamas will create *Manjushri Mandala* (Buddha for Wisdom) in Davies Center's Skylight Lounge. Watch the construction of the mandala or join in the creation of a community mandala throughout the week. When the painting is complete there is a closing ceremony during which the monks dismantle the mandala as a metaphor of the impermanence of life.
