Biographical / Historical Note

While an undergraduate degree with a major in music appears to have first been granted in 1949, Music was not listed as a department in the campus directory until 1960-61. The Bachelor of Music and Bachelor of Music Education were first
offered in the 1965-66 academic year. The University of Wisconsin--Eau Claire received accreditation from the National Association of Music in 1975.

**Content Description**

Contains programs from various concerts, recitals and programs at the University of Wisconsin--Eau Claire and its predecessor institutions. Programs from 1946 through 1987 are bound together in small booklets for each academic year. Series records date to 1928. The series also contains 0.4 linear feet of records regarding the Bösendorfer piano.
