Historical Note

Management Information Systems at the University of Wisconsin--Eau Claire is the office responsible for administrative and academic computing. Its origins trace back to approximately 1965. Since its inception, this office has undergone a number of name changes.
Content Description

The series consists largely of departmental meeting minutes, including those of the Hardware and Software Committee and the Weekly Maintenance Group. Additional materials include computer users’ manuals, a history of the equipment owned by the department, administrative charts, speeches and writings by Rudolf Polenz, Director of Management Information Systems in the 1970s, and a silent 5 minute color film (circa 1970) depicting the campus computing center.
