Storytime Slam! is designed to assist early childhood educators, elementary classroom teachers, elementary media specialists and music teachers, and public children’s librarians make literature come alive for children. The lesson plans are developed around conventional themes (“Pets,” “Sweet Tooth,” “Toyland,”) and slightly more unusual themes (“I’m Telling: Tales of Naughty Kids,” and “Why Did the Chicken Cross the Road?”). Each lesson plan contains literacy strategies utilizing traditional and original stories, musical activities, poetry and word-play, and creative dramatics. Many of these chapters have appeared as articles in Reid’s regular story program articles for LibrarySparks magazine.
