1/2 Points: Making Your Grant Proposal Distinctively Different

Presented by

Jeremy Miner
Director of Grants and Contracts

Thursday
December 11, 2014
12:10-12:50 pm
CETL (OL 1142)

Sometimes the difference between securing and missing grant funding comes down to half points. In this session you will learn strategies for making your grant proposal distinctively different. You will identify key places in your narrative where inserting a few more specific details can earn you essential benefit of the doubt points that elevate your project into the “Funded” category.
