Funding Opportunities for Your Teaching, Research, and Scholarship

presented by
Jeremy Miner,
Director of Grants and Contracts

Heather Johnson Schmitz,
Grants Coordinator

Thursday
Feb. 2, 2012
Noon - 12:50 pm
CETL (OL 1142)

Even in today's economic environment, significant sources of extramural funding are available to help advance your teaching, research, and scholarship. In this session, you will learn about basic resources for identifying public and private sponsors who might fund your projects. To illustrate the diversity of funding opportunities, select grant and fellowship programs will also be profiled.
