4. Traffic control – make sure each captain and their team know where they are playing. Direct officials and scorekeepers to their areas of work.

6. Evaluate officials as much as possible. Give them as much positive encouragement and feedback as you can.

7. Settle conflicts and disputes between officials and/or participants.

Please write down the first aid supplies used on the daily report form so we can replace/refill them. If you have a serious injury don’t hesitate to call campus police (9-911).
