   c. Requesting a re-throw
7. **Scoring —** Each time that the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score.

Possession and Basic Procedures
1. Two feet need to be in bounds to be considered a catch.
2. Momentum can carry a receiver out-of-bounds, then return to the field where s/he left the field and continue play.
3. The thrower must establish a pivot foot and may not change that pivot foot until the throw is released. Travelling can be called by the defense.
4. The thrower has the right to pivot in any direction. However, once the marker has established a legal defensive position, the thrower may not pivot into him/her.
5. If the thrower without defensive interference drops the disc, it is considered an incomplete pass.
6. The thrower may toss the disc in anyway s/he wishes.
7. Only one player may guard the thrower at one time, this player is the marker.
8. An arm’s length must be kept between the defender and the thrower; player with the disc can call back-off if defender is too close.
9. Once a marker has established a set-guarding stance on the thrower, s/he may initiate the count; the count consists of the marker calling **Counting** and counting out loud at one-second intervals from 1 to 10.
10. The thrower of the disc can call a **fast count** if the count is too fast, the marker must then start a new count.
11. If the thrower has not released the disc at the first utterance of the word ten, a turnover results.
12. If the defense decides to switch markers, s/he must start again from one.
13. After catching a pass, the receiver is only allowed the fewest number of steps required to come to a stop and establish a pivot foot (estimate would be three steps).
14. **NO PICKS OR SCREENS!**
15. Fouls are the result of physical contact between opposing players.
16. The offending player calls the foul. If the player committing the foul disagrees with the foul call, the play is redone.
17. The principle of verticality: All players have the right to the space immediately above them.
18. A player who has jumped is entitled to the space at the same spot s/he took off from without hindrance by an opponent.
