

Distance Education Courses

Since distance education technologies are changing daily, there can be confusion caused by the variety of delivery options. Please be assured that as a registrant in a distance education course, you will have access to all the same student services that other students receive.

The University is attempting to set up systems which will make enrollment in distance education courses as convenient as possible for students, but if in the meantime you encounter any problems in registering, or acquiring support services for a distance education offering, please feel free to contact the Registrar (ext 36-3887).
