

Distance Education Courses

Since distance education technologies are changing daily, there can be confusion caused by the variety of delivery options. Please be assured that as a registrant in a distance education course, you will have access to all the same student services that other students receive.

The University is attempting to set up systems which will make enrollment in distance education courses as convenient as possible for students, but if in the meantime you encounter any problems in registering, or acquiring support services for a distance education offering, please feel free to contact the Registrar (ext 36-3887).

COLLEGE OF BUSINESS

All students planning to register for 300/400 level courses in the College of Business must meet the College of Business admissions requirements by the end of the current semester. Students who have not been admitted to the College of Business, non-business majors and College of Business minors who do not meet the admission requirements at the end of the current semester will be automatically dropped from any 300/400 numbered business course(s). These students will be notified by the Registrar's Office and should see their faculty adviser prior to re-entering the registration process. Requests for exemptions other than those printed in the Class Schedule should be directed to the College of Business Associate Dean's Office, Schneider 117A, (715)836-5473.

Directed studies, independent studies, and other individualized courses are available in most departments. Contact the department office for information.
