Please select the department in which you would like to make an appointment.

Select One
- Primary Care (select this option for most health concerns)
- Allergy Injections
- Immunizations
- TB Testing - you must be able to return within 48-72 hours after initial appointment for TB test reading.

Select one. Most concerns will be listed here. If it’s not listed CALL to schedule.

Health is just up the hill 715-836-4311

Please select the type of appointment that you would like to schedule. Not all appointments will be available for online scheduling. Please do NOT select an appointment if your health concern is not listed - you will need to call to schedule. Our appointment desk is available at 715-836-5360 for additional scheduling questions, or concerns.

If you have an urgent concern, you should seek emergency medical assistance.

You are expected to arrive 20 minutes prior to your scheduled appointment, inability to do so may require you to reschedule your appointment.

Select One
- Health Concern (Non-Urgent)
- Mental Health
- Physical Exam (Employment, Sports, Travel, etc.)
- Women’s Health (Annual Exam)

Select to see what options are available - DO NOT schedule if your concern is not listed

At this time these appointment options are not available for online scheduling
