ANNOUNCEMENT: NEW STUDENT SENATE PRESS RELEASE WEBPAGE

To better reach out to our constituencies and to better communicate with one another I am proud to announce the creation of the new Student Senate Press Release Webpage. Located at http://www2.uwec.edu/StudentSenate/press.htm this new page is intended for written communication directed at members of the news media, constituencies, or other members of Student Senate with the intent of making an announcement. Student Senate Executives and Senators may submit press releases to the Student Senate Web Coordinator to be posted on the new page. All releases reflect the viewpoints of individual Student Senate Executives or Senators and are not the opinion of the Student Senate or the University of Wisconsin - Eau Claire.

Executives or Senators wishing to post a press release need just email it to stusen64@uwec.edu. The Web Coordinator posts press releases received via e-mail under the date on the Press Release, letter or document. Send the Web Coordinator an attached Word document or simply cut and paste into the body of an e-mail. Please include the title under which the Press Release should be posted.

I urge users to adhere to the same level of decorum that they utilize on the floor of the Student Senate and hope that this improves the ability of members to communicate with the campus community and one-another.

Special thanks to the Student Senate Web Coordinator for setting up the new Webpage.
