mission Support and challenge students as they engage in academic and personal growth

values

- Student centered service
- Establish an inclusive community
- Support student learning throughout the college experience
- Development of strong citizens and leaders
- Nurture our human resources and support work/life balance

vision The Division of Student Affairs will strive for excellence as it provides outstanding services and a dynamic student-centered learning environment that helps to bridge the classroom and out-of-classroom experience. Students will be encouraged to reach for their dreams, become people of purpose, to be ethical and to be individuals of integrity. Innovation, collaboration, compassion and encouragement will be visible signs of the division’s commitment to student and staff success.
