CASE invites students to Be Smart and Buddy Up as part of a safety campaign
CASE is encouraging all UW-Eau Claire students to stick together and watch out for each other during the “Be Smart. Buddy Up.” campaign. CASE peer educators came up with the idea for the campaign after discussing the alcohol related deaths and accidents that have occurred in the past on campus. CASE students will be handing out “Be Smart. Buddy Up.” bracelets to their fellow students; and students will be invited during the month of March to post pictures on Instagram or Twitter with #besmartbuddyup to show how they stay together to stay safe.

CASE hopes that increased awareness of the importance of looking out for each other and follow up action, UW-Eau Claire students will avoid the tragedies of the past.
