Meeting Minutes

1. Approval of minutes of January 27, February 17, and March 3, 2014
   ▪ Motion to approve all, seconded, approved with minor edits

2. Announcements
   ▪ Conversations continue regarding what has passed Senate, what we've learned from the data analysis, conversations are occurring
   ▪ Faculty in library would appreciate an individual meeting
   ▪ The “new” framework has the same number of outcomes with a reduced number of experiences within the outcome
   ▪ ULEC should have the opportunity to weigh in on proposed framework and be given the opportunity to include some non-binding comments to with the submission, M. Goulet will add this item to the next meeting agenda

3. Consideration of course proposals/revisions for LE designation
   ▪ It was suggested that proposal submitters be invited to the ULEC meeting their proposal will be considered
     • Will be unfortunate if we don't get to their proposal, waste of time
     • Questions as to whether ULEC should continue to have proposals submitted, the framework was passed by APC and Senate now there is a possibility of it being changed at the administrative level, look at some or none
   ▪ Motion to approve ECON 103-Principles of Microeconomics, 3 crs [GE/LE] – K2 and ECON 104-Principles of Macroeconomics, 3 crs [GE/LE] – K2, seconded, approved unanimously
   ▪ Motion to approve HIST 115-United States History Since 1877, 3 crs [GE/LE] – K3, R1 for K3 only, approved unanimously
     • In alignment with K3, questioning how same artifact can be used for both outcomes; disappointed in response to question #1; when considering courses taught by multiple faculty, do they have to be specific as to what types of artifacts are going to be used
     • Motion to approve HIST 115 for R1, seconded - cultural diversity clearly identified with R1, discussion suspended due to lack of time, how does ULEC want to proceed with IL?
