PROPOSAL FOR ADDITION TO EXISTING STUDY ABROAD PROGRAM

American College of Thessaloniki, Greece
Thessaloniki, Greece

RATIONALE: As an already existing partner, American College of Thessaloniki (ACT), is now offering a summer program. This program will provide an opportunity for students to enroll in business, computer science and humanities courses. We currently have no summer programs where students can enroll in computer science courses. We also have a very limited amount of summer programs that allow students to earn business credit.

ENROLLMENT LIMITS: No limits established.

ACADEMIC LOGISTICS:
- Can UW-Eau Claire accept credit from this program?
  - Yes, we currently accept it for the semester/year long program we have established.
- How are grades reported?
  - ACT will send transcripts, as they currently do with the semester/yearlong option.
- What language is used on the above document? If not English, what resources are required for an English translation?
  - English
- What credit system is used and how does it translate into U.S. credits?
  - Same credit system that is used in the U.S.
- How is course level determined?
  - Course levels match UW-Eau Claire: 100, 200, 300, 400 levels
- What grade scale is used and what is the conversion to UWEC grades?
  - Grades are reported using the standard A-F scale with plus and minus designations.

CURRICULUM:
Credits: Students will enroll in either 3 or 6 credits, for the summer term.

Courses: Below is a list of course offerings from summer 2016. A few courses have been offered in the semester terms so their equivalencies are included. All courses are taught in English and are 3 credits.
