REPORT FOR THE UNIVERSITY SENATE

University Senate Committee: University Senate Executive Committee

Brief History of Issue - why the issue is being considered:

- In 2007, then Provost Steve Tallant charged a task force to answer some questions regarding advising at UW-Eau Claire. Under part of recommendation 1 of the task force report, it was suggested that a revised advising statement be included in the catalog and handbook.
- Interim Associate Vice Chancellor Susan Turell requested that Academic Policies Committee review the revised language.
- Due to amount of business APC must conclude before the end of this session, the Executive Committee was asked to review the language.

Points Discussed by Committee:

- An updated statement would be nice.
- Since the draft was developed, the College of Business has required all majors to have PACs. The language of the draft needs to be updated to include this requirement.

Pros of Recommendation:

- The revise language has been vetted through all four colleges.

Cons of Recommendation:

- None known

Committee Recommendation:

That the language relating to the Review of Administrators be updated as shown.

MOTION FOR THE UNIVERSITY SENATE

The University Senate Executive Committee by a vote of 12 for to 0 against on April 7, 2009 recommends that the Undergraduate Advising language be adopted.
