REPORT FOR THE UNIVERSITY SENATE

University Senate Committee: Academic Policies Committee

Brief History of Issue - why the issue is being considered:

The IS Audit and Control minor was developed to provide Accounting students with a basic background in the technical aspects of areas related to the field of computer auditing such as basic computer programming. We are removing courses in IS that 2 years of experience have shown are unsuitable for our students. The minor will still accomplish its main goal without those courses.

Points Discussed by Committee:

Pros of Recommendation:

1. Accounting students are not forced to take two upper-division programming courses.

Cons of Recommendation:

None

Technology/Human Resource Impact:

None

Committee Recommendation:

The Academic Policies Committee recommends that the Information Systems Audit and Control minor be renamed the Audit and Control minor.
