The University of Wisconsin-Eau Claire encourages international students to apply for an Incoming International Student Scholarship. Students are welcome to submit a scholarship application before they have received their letter of acceptance. However, their scholarship application will not be reviewed until they have completed the university application process and been offered full admission to the University of Wisconsin-Eau Claire.

Students are not eligible for this scholarship while they are enrolled in the Intensive English Program. Upon completing that program and transitioning to a degree program, students may submit a scholarship application. Students enrolled in certain dual degree programs are not eligible for this scholarship. Contact the Center for International Education if you have questions about your eligibility to apply for a scholarship.

This scholarship is available only to undergraduate students. These are students who are enrolling as new freshmen, transferring from another institution, or pursuing a second undergraduate degree. This scholarship is not available to graduate students (students pursuing a master’s degree). Graduate students are encouraged to visit our Graduate Admissions website for information about assistantships and fellowships.

**Scholarship Deadlines:**

The scholarship review committee meets periodically to review scholarship applications. Final deadlines for scholarship applications are:

- **June 1** for students enrolling in the fall (September) semester
- **December 1** for students enrolling in the spring (January) semester

Scholarship applications received after the deadlines will only be considered if funding is still available.
