Drawing: For the Absolute Beginner

with *Kim Yearman, Artist, Designer and Teacher*

Drawing is often referred to as the most accessible form of all the arts—all you need is a desire to learn and an enthusiastic instructor who is skilled at working with beginners. You'll develop hand/eye coordination and experiment with medium to create line, shape and texture...

TUESDAYS, MARCH 16, 23, APRIL 6, 13, 20, 27, MAY 4	6:45 to 8:45 p.m.	UW-EAU CLAIRE CAMPUS	\$155	P154-104
--	-------------------	----------------------	-------	----------

Drawing: The Next Step **New!**

with *Kim Yearman, Artist, Designer and Teacher*

Do you have some basic drawing know-how, but would like to expand upon your skills? Through instructor demonstrations and hands-on learning, you will gain insight into a variety of drawing styles including still life, figure drawing, landscapes, and drawing animals — all in a relaxed learning environment with a supportive instructor...

FRIDAYS, MARCH 19, 26, APRIL 9, 16, 23, 30, MAY 7	6:30 to 8:30 p.m.	UW-EAU CLAIRE CAMPUS	\$155	PT155-104
---	-------------------	----------------------	-------	-----------

Intermediate Digital Photography **New!**

with *Bill Hoepner, UW-EC Learning & Technology Services*

This is a hands-on class for individuals who are interested in learning more about the craft of digital photography, but already have some basic familiarity with their DSLR (Digital Single Lens Reflex) cameras. You'll explore key lighting principles, posed photos, digital file management and Photoshop retouching and image correction...

MONDAYS, MARCH 15, 22, APRIL 5, 12, 19, 26, MAY 3	6:30 to 8:30 p.m.	UW-EAU CLAIRE CAMPUS	\$155	PT151-104
---	-------------------	----------------------	-------	-----------

An Introduction to Acrylic Painting

with *Jill Olm, Department of Art & Design*

This course is designed with the beginner in mind. You will explore the heart and soul of painting: color, form, expression, pictorial space and content. You will paint from whatever inspires you personally, and you will enhance your technical skills with the careful guidance of a caring instructor...

THURSDAYS, MARCH 18, 25, APRIL 8, 15, 22, 29, MAY 6	6:30 to 8:30 p.m.	UW-EAU CLAIRE CAMPUS	\$155	P153-104
---	-------------------	----------------------	-------	----------

From Cloth to Book: An Introduction to Bookbinding **New!**

with *Wannudee Buranakorn, Department of Art & Design*

Do you have fabric at home that you've always wanted to make something special out of? In this class, you'll discover what kinds of fabrics work well for hand-made book covers. Through demonstration and hands-on activities, you'll be exposed to the following bookbinding techniques: portfolio/wrapper with hard cover, pamphlet binding, and German shaped spine case binding. No previous art experience is necessary...

WEDNESDAYS, APRIL 7, 14, 21, 28, MAY 5, 12	6:00 to 8:30 p.m.	UW-EAU CLAIRE CAMPUS	\$155	PT152-104
--	-------------------	----------------------	-------	-----------

Beginning Bird Identification **New!**

with *Dr. Terry Balding, Emeriti Faculty, Dept. of Biology — A special offering for Spring!*

Discover the amazing ornithological diversity that Chippewa Valley has to offer in this seminar/field excursion. Learn how best to use binoculars and bird guides for in-the-field bird identification. By focusing on song awareness, plumage, behavior, habitat, season, and geography, you'll be ready to put your new skills to use in the outdoors...

Saturdays, March 13, 20, April 10, May 15	8:30 to 11:30 a.m.	UW-Eau Claire Campus & Area Sites	\$95	PT150-104
---	--------------------	-----------------------------------	------	-----------
