

Residence Hall Move In Procedures

The residence halls will be open continuously for RETURNING STUDENTS beginning at **8:00 a.m. Monday, August 31, 2009** through the beginning of classes at 8:00 a.m. on Wednesday, September 2, 2009.

Like most schools, the university has limited permanent parking spaces available for cars. This limitation becomes even more significant at move-in time.

Please refer to the move in parking map for the locations of short-term off-loading parking and post off-loading parking spaces. You will have up to one hour to unload your vehicle before you will need to move it to a longer-term parking area.

The hill between upper and lower campus will remain closed during this move-in period. Students who are moving into Putnam or Thomas Halls on lower campus are asked to follow Clairemont Avenue to State Street to Garfield Avenue when returning to campus this fall.

We look forward to your arrival on campus.
