Happy end of the semester everyone! Here are the minutes from last night's meeting:

- Sarah gave a special thank you to all the members who have helped out with everything this semester, especially the fundraising efforts. :)
- Dr Heidel shared that there are two new student chapters starting (at LSU and the University of Southern Mississippi)
- The treasurer's report will be sent out to all of the members soon.
- Our guest speaker was Michelle Gutoske of JW Pepper
 - She gave a great presentation on what JW Pepper has to offer music educators, as well as other music ed issues (copyright laws, business aspects of the job, general advice from experienced music educators, etc).
 - She also gave free stuff to some lucky meeting attendees. :)
 - She handed out an informational packet, so if you see someone who was there, I'm sure you could make copies if you are interested in that.

It's been a great first semester for our group. Let's work to make second semester even better. Good luck on finals and don't study too hard! ;) Have a great break!

Nancy :)
