Subject: NBA Meeting Minutes- 3/10/04
Attachments:

Hello everyone! Here are the minutes from Wednesday's meeting:

- We discussed/voted on giving money to the newly formed La Crosse chapter, and we decided to give them a \$300 starter fund. Once they get going, they can do the same thing for another chapter.
- Everyone should vote for Dr Heidel in the national NBA election!! :)
- We are hosting a wind band clinic on April 7-8. Six high school bands and one middle school band is coming in to work with Dr Stanley Michalski. NBA members need to sign to help with setting up/breaking down/and greeting and monitoring the bands. It really won't be that much work, and it will be a great experience to be involved, so see the bulletin board to sign up.
- Kristin showed us a new t-shirt design. She is also open to helpsuggestions, so see her if you have any.
- Dr Ostrander spoke on graduate school. He shared his own experiences and information that would be helpful to anyone considering attending grad school.

There's a meeting on Thursday night at 8- guest speaker, Pat Hull. It should be a great meeting, so you should all go! :)

Have a great rest of the weekend and a great week,
Nancy :)
