Hello everyone! Hope you had a great Easter! Here are the minutes from Wednesday's meeting:

- Our SPECIAL guest speaker was Dr Stanley Michalski. He spoke on our roles as music educators, how we are perceived by ourselves and others, and the importance of the career we have chosen.
- He spoke about many things such as how the actions we take now will affect our future, how we must be aware of how others are perceiving us because that will also affect our careers, what plans we have for our future and how we can make the most of our futures today, and our self-image and how that affects how we are perceived by others.
- He also gave us a website that might be helpful in planning various aspects of our careers: [careerjournal.com](http://careerjournal.com).
- This was an excellent presentation! :)

Thank you to everyone who volunteered their time for the concert band clinic and who attended the meeting. Our next meeting is April 22. :)

Have a great week!

Nancy
