Hi guys

Here are the minutes for the NBA meeting on Thursday night:

- 1) T-shirts are now available for pick up in the band office. Please spread the word and pick them up in a timely fashion.
- 2) Dr. Randy Dickerson spoke to our organization about "Building Your Program." He spoke on several great points on the topic of beginning a band program from next to nothing. Some of the points are as follows:
 - "Your attitude will be the attitude of the students entering you program." (use them as a mirror)
 - The Two Items Essential for Building a Program are: 1) It is enjoyable for the kids, 2) There is pride in the organization
 - Show enthusiasm about every good thing that happens!!

This was the last NBA meeting for the semester. Our next meeting will be on Thursday night, Feb. 3rd. Hope to see you there, and bring a friend.

Good luck with the end of the semester everyone!!!!

Respectfully,

Tim Baumann
UWEC-NBA Secretary
