Hello NBA members

Sadly, this will be the last time that I will be e-mailing you the meeting minutes. (Sentimental pause) The show must go on however. Here are the minutes from Thursday's meeting:

- 1) Cookout at the Heidel House
  - this upcoming Thursday (5/5 or Cinco de Mayo for you spanish speakers)
  - starts at 5:30, we will leave HFA and carpool there sometime between 5 and 5:15
  - more details to follow
- 2) Voting for Outstanding Member Award
  - results will be announced on Sunday at the Wind Symphony concert
- 3) Voting for Executive Board Members for next year
  - Running: Pres: Kristin Bar
  - V-Pres: Tim Baumann
  - Secretary: Ashley Singer
  - Treasurer: Liz Wilson
  - Historian: Paul Saganski
  - Call it a hunch, but I think pretty much everyone can figure out the winners. Official results to come later.
- 4) Kristin Bar suggested that we collaborate with the other student organizations in the Music and Theatre Arts Department to organize a farwell party for Dr. Baker. If you have any thoughts or suggestions, let Kristin or one of the Exec Board members know. More information to follow.
- 5) Andrea Pelloquin, a representative from music wholesaler JWPepper, spoke to the group about Copyright Laws for teachers. It was a very informative speech, with a poignant message: DON'T COPY UNLESS ABSOLUTELY NECESSARY! Packets can be picked up by the NBA bulletin board.

That's all for now. Hope to see you all at the cookout on Thursday night.

Tim Baumann  
 NBA Secretary
