

Hi Everyone! Here are the NBA meeting minutes from 10/20/05:

1. We discussed the **Indianhead** Honors Band which is on Saturday November 5. We asked some people to help out with taking notes during rehearsal to be used during the sectionals later in the day. Millie and Kira agreed to do flutes, Jennifer for clarinets, Matt for bassoons, Brian for saxophones, Mike for euphoniums/tubas. In addition, those who don't work sectionals are asked to help set up the snack around 4:00 p.m. and everyone is needed to help clean up at the end (it should only take 20 minutes or so).

2. Dr. **Garvey** talked to us about building a private studio. She gave a lot of good information about what are easy to make mistakes and how to avoid them.

That's it. Have a great weekend everyone!
