Hi Everyone! I hope you're having a good week. Here are the NBA minutes from the meeting on April 6.

First we discussed the NBA social. It will **be** held on Thursday May 11 Beginning at 6:15. That should give everyone enough time to make it from all of their classes. We seemed to have a general consensus as to having a progressive dinner.

Then we read through the reading band pieces:  
 Song of the Hebrides by Larry Daehn  
 Von **Grrrhart's** 613th Regimental March by Holsinger  
 Pioneer Songs by Larry Daehn

Our next meeting will be an **NBA** reading band on April 20 at 8:00. Remember to talk this up to all of your friends! The more people who show up, the better our experience will be!

That's it for the minutes. I just wanted to add one more thing. If ANYONE is willing to hold a portion of the progressive dinner, please let me know. This should be really fun! We had a great time last semester, and I look forward to doing it again, but we need some places to eat! So, if you're willing to open up your place to us for an hour or so on a Thursday, please let me know ([singerad@uwec.edu](mailto:singerad@uwec.edu)) If you have any questions about what is involved in being a stop on the progressive dinner, also email me and ask. And it's first come first serve--if you email me first, you get to pick out which course you want to do first. So hopefully I'll hear from a bunch of you!

Have a great week (oh, and go see Randy **Swiggum** tomorrow at 7:00 if you don't have anything else going on!)
