Total Number of Credits Required for BSN Degree =120

Note: () = UW-Eau Claire equivalency

To verify transfer of courses to go to www.uwsa.edu/tis

*Completion of PHS 202 and PHS 203 is equivalent to Bio 214 and Bio 314 at UW-Eau Claire.

UNIVERSITY OF WISCONSIN–EAU CLAIRE
COLLEGE OF NURSING AND HEALTH SCIENCES

GENERAL INFORMATION

Admission Requirements--Marshfield site

Students wishing to pursue a nursing degree through UW-Eau Claire at the Marshfield site, must first be accepted to UW-Eau Claire. Students can complete the online University application at www.uwec.edu. In addition, formal application to UW-Eau Claire’s professional nursing program is required. Students are encouraged to apply to the nursing program during the semester in which 30 transferable credits and 3 of the 5 required sciences will be completed. **Deadline dates for filing an admission application** to the nursing program are **December 1** or **May 1**. Accepted **December 1** applicants start their nursing courses the following fall semester. Accepted **May 1** applicants start their nursing courses the following spring semester.

Admission Requirements

In order to be considered for admission to the nursing program, applicants must:

- be accepted as a student to UW-Eau Claire.
- complete at least 30 transferable semester credits during the semester in which the student is applying, with an overall grade point average (GPA) of 3.0.
- complete at least 3 of the 5 required sciences by the end of the semester in which the student is applying. At least 2 of these 3 sciences need to be laboratory sciences. All 5 required sciences must be completed **prior** to the start of the semester the student starts the nursing courses, with the exception of biochemistry. Biochemistry can be taken concurrently with the first semester of nursing courses. Science GPA must be a minimum of 2.5.
- earn at least a “C” in all pre-nursing courses (chemistry, biochemistry, anatomy, physiology, microbiology, statistics, developmental psychology, and the wellness courses).
- complete all UWEC nursing program application materials.

Other data that may be used by the Admissions Committee are derived from a variety of sources that include UWEC and nursing program admissions applications, high school transcript showing rank in class, previous college records, and standardized test scores such as the ACT or SAT.

CNA, CPR, Health Records and Background Check

1. Evidence of certification as a nursing assistant (CNA) must be submitted prior to registering for NRSG 240.
2. Evidence of CPR certification at the Healthcare Provider or Professional Rescue level, and all required health information must be submitted with nursing program acceptance notification.
3. Evidence of agreement to a criminal background check must be submitted with nursing program acceptance notification.

Requirements for Bachelor of Science in Nursing - Total of 120 semester credits.

Overall Requirements:

English Composition – 5 credits
Physical Education (Kinesiology) – 1 activity credit
Cultural Diversity Requirement – 3 credits
Foreign Language/Culture competency (See catalog)
Wellness Theory – PED 206 (NRSG 211)

Required non-nursing courses:

Chem 125 or 145 (Chem 103 General Chemistry)	5 credits
Chem 203 (Chem 150 Survey of Biochemistry)	3 credits
PHS 202 & PHS 203 (Biology 214/314)	8 credits
Bac 101 (Biology 250 Microbiology)	5 credits
Psych 250 (Psychology 230 Human Development)	3 credits
Math 117 or Psych 210 (Math 246 Introduction to Statistics)	3 credits

General Education – At least 39 credits designated as General Education in five categories. No more than 10 credits in one department.

Category One – Communications

Minimum of 6 credits in at least 2 subcategories
(one is fulfilled by the statistics requirement)
