

Omicron Delta Kappa Executive Board Meeting

October 15th, 7:00pm SSS 204

OPENING

- Introductions/Attendance
- Transition/Expectations for President
- Orgsync. **Please** go to www.orgsync.com and **set up an account**. We will be using Orgsync as a communication tool. Our website will also be updated regularly www.uwec.edu/odk (Thank you Wade!)

DISCUSSION

- Chapter Planning Calendar
 - Campus Deadlines? *We have met the deadlines to maintain active status. Thank you to our members for your help!*
 - National Deadlines? *None for fall semester.*
 - Projects?
 - **Past:** *Graduate/Professional Seminars—typically had poor attendance. Executive Board discussed the need for a new “niche” in order to better benefit the university community.*
 - **Present:** *Tidy Up The Town, November 7th 10-2. We will discuss this further at the upcoming meeting, but mark the date now so you will be available to help.*
 - **Future:** *Following the discussion of our past project we are now exploring the idea of a partnership with Golden Key—October Graduate School/Professional Fair. We are thinking that ODK might offer a prep session in the morning? Hannah is exploring whether this will be an option available to us. More on this to come!*
 - Socials? *We think it is important to devote time this fall to social endeavors that will strengthen our member relationships and would like to discuss options with the chapter. Please bring your ideas to our first general meeting.*
 - General Meeting Time. *First Meeting set for Sunday, October 25, 7:30pm room TBA.*
