

# University Recreation and Sport Facilities

## EAC Archery Range Officer

### Position Title:

Student Archery Range Officer

### Position Description:

Archery Range Officers exist to provide the students, faculty, and staff of the University of Wisconsin Eau Claire with a safe setting where they may participate in a recreational activity in a relaxed environment. The first priority of the Customer Service Representative is to provide safe access to the Environmental Adventure Center Archery Range.

### Primary Responsibilities:

1. Basic orientation of participants related to safety, teaching skills, and archery range etiquette.
2. Organizing and promoting special events which include archery as a teaching/service component.

### Qualifications:

1. Work Study is preferred.
2. Must have the Matthews Level 1 Archery Instructor Certification
3. Must be CPR/First Aid Certified
4. Criminal Background Check will be required.

### Additional Information and Form Submission:

Dan Langlois, Assistant Director/Environmental Adventure Center
