Zero to six credits:

At this time there are no courses available at the UW Colleges that meet the requirements for the category.

Major/Minor Requirements

Students should select courses based on their intended major/minor. Some majors require or recommend specific General Education courses, or have pre-requisite courses that must be completed prior to taking courses in the major area.

This guide is designed to help prepare students from the UW Colleges transfer to UW-Eau Claire by identifying courses that will satisfy UWEC requirements. Please consult with the [UWEC catalogue](#) for the complete list of academic requirements.

It is also highly recommended that you work with UW College advisers in scheduling courses and planning your transfer. In addition to your current adviser, listed below are contacts at UWEC who can help answer additional academic questions.
