Note: IDIS 100, SW 220 and SW 285 must be completed by the end of the sophomore year for students to be on track with the program. Since these courses are not offered through the UW Colleges, it is the responsibility of the student to contact a representative at UW-Eau Claire to discuss options to meet these course requirements.

UW-Eau Claire recommends that Social Work majors transfer by the end of their freshman year (30 credits) to stay on track with the program requirement.

This guide is designed to help prepare students from the UW Colleges transfer to UW-Eau Claire by identifying courses that will satisfy UWEC requirements. Please consult with the [UWEC catalogue](#) for the complete list of academic requirements.

It is also highly recommended that you work with UW College advisers in scheduling courses and planning your transfer. In addition to your current adviser, listed below are contacts at UWEC who can help answer additional academic questions.
