MINUTES

College of Education and Human Sciences Academic Curriculum Committee
Friday, February 6, 2015
Centennial Hall 3015

Present: Sidney Nelson (Student Member), Jill Prushiek (Associate Dean), Vicki Samelson (Communication Sciences and Disorders), Jamie O’Connor (Kinesiology), Cathy Thorsen (Special Education)

The meeting was called to order at 10:00 a.m.

1. The minutes from December 5, 2015 were approved as distributed.

2. Program change: Change to Library Science Emphasis in ME-PD. Motion (Prushiek/Thorsen) to approve change in program. The committee discussed the need to list the courses that are required for students who are earning a ME-PD with an emphasis in Library Science. We have had this emphasis for several years but courses were not listed to inform students about requirements. Motion passed (5-0-0).

3. SPED – New credit-bearing certificate proposal for EBD. Motion (Samelson/Nelson) to approve the new credit-bearing certificate. The committee discussed the benefits of having this certificate so that students would have the certificate identified on transcript and be more marketable to future employers. Motion passed (5-0-0).

4. SPED – New credit-bearing certificate proposal for CD. Motion (Prushiek/O’Connor) to approve the new credit-bearing certificate. The committee discussed the benefits of having this certificate so that students would have the certificate identified on transcript and be more marketable to future employers. Motion passed (5-0-0).

5. Jill Prushiek gave a brief update of courses being considered for LE designation. She encouraged all departments to submit proposals for Skills 3 and Integration. She will be visiting each department during spring semester to assist departments with their proposals.

6. The meeting adjourned at 11:05 a.m.

Respectfully Submitted,

Jill Prushiek, Secretary
