**Robotics Day Camp:**
Grades 6-12
Students will receive academic instruction in robotics and engineering related areas, team building activities, take engineering related field trips, and participate in other educational activities around campus and in the community.

**Day Camp** in Centennial Hall
June 12-16 | 8 a.m.-5 p.m.
$150 per student

**Blugold Beginnings Science Technology Engineering Math (STEM) Camp**
Grades 6-12
Students will receive academic instruction in STEM related areas, team building activities, take STEM related field trips, and participate in other fun activities around campus and in the community.

**Overnight** in UWEC Residence Halls
June 18–June 23
$325 per student

**Dreaming Big, Planning Big-Entrepreneurship Camp**
Grades 6-12
Students will learn what it takes to own a business by receiving academic instruction in the field of business. They will learn the skills of goal making, innovation, and entrepreneurship through field trips, interactive games and activities, and meeting with local business owners.

**Overnight** in UWEC Residence Halls
July 9–July 14
$325 per student

**Coding Day Camp**
Grades 6-12
Students will receive an introduction to computer science by learning the skills they need to build a real-world website that will be live on the web even after the course is done.

*Course curriculum developed by the Evercode Foundation.*

**Day Camp** in Centennial Hall
July 24-28 | 8 a.m.-5 p.m.
$150 per student

**Blugold Beginnings Exploring Art, Language and Culture**
Grades 6-12
Students will receive academic instruction in liberal arts (theatre, photography, creative writing, journalism, arts, language) related areas, team building activities, and participate in other fun activities around campus and in the community.

**Overnight** in UWEC Residence Halls
July 16–July 21
$325 per student

**Biomedical and Kinesiology Camp**
Grades 6-12
Students will have the opportunity to explore biology, anatomy and physiology, and kinesiology. Students will visit with professionals in bio-medical and kinesiology fields to learn more about careers. Students will also have the opportunity to complete experiments and study health and wellness concepts.

**Overnight** in UWEC Residence Halls
July 30–Aug 4
$325 per student

---

Individual scholarships and transportation for groups of campers may be available. Up to 42 ECASD students will receive funding through ECASD for each of the overnight camp offerings. Participants must pay a $25 materials fee per camp.
