Reef Setup for Students
Not following instructions could affect your grade!
Login to D2L, access your course, and open the Reef registration link (usually in the Content area).

We will register for REEF in class. Please do not register early as it might cause problems with the D2L sync process.
Click **Create New Account**.

**NOTE:** Click **Sign In** if you have already used Reef in another class.
**IMPORTANT**: Complete the form exactly as below using your own name and UWEC credentials and click **Create Account**. Make note of your Reef username (UWEC email address) and password.

**IMPORTANT**: Use your UWEC email address. You MUST use your UWEC username (NOT your student ID number).
Click **Sign In to REEF Education**.
Enter your email address and password into the applicable fields and click **Sign In**.
Click **Not at this time** if you get the screen below.
Click the **three lines icon** on the top-left side of the screen and select Profile.

**NOTE:** Click the **Courses** link if you do not see the **three lines icon**.
Check that your UWEC username (not Student ID number) and UWEC email addresses are entered correctly. **WARNING:** One wrong letter or number will break the sync process with D2L and could affect your grade.

1. Click **Edit Account** on the upper right side and **Save** if you need to make any changes.
Register your clicker:

**NOTE**: Perform the steps below if you have a clicker. Skip to the next step if you are using a mobile app with an access code.

1. Access your Profile page (refer to Step 4), if necessary and click the **Register Clickers** link.
2. Click **Add** on the upper right side of the screen.
3. Enter your clicker number into the applicable field and click **Save**.
