We make your life easier

McIntyre Library partners with you in teaching and research by:

consulting with faculty, staff and students about their research
- Visit the new Research Center on the Library’s 1st floor
- Schedule a research consultation
  `http://www.uwec.edu/library/research/consultation.htm`
- Contact the library through the convenient online chat service on the library homepage

teaching active-learning research instruction sessions in all disciplines
- Library liaisons specialize in research and instruction for specific disciplines. Find your library liaison: `http://www.uwec.edu/library/reference/Library-Instructional-Faculty.htm`
- Schedule a class session with a librarian (`http://bit.ly/16MBA2s`)
- ‘Embed ‘ a librarian in your online class to provide research assistance

designing research guides and assignments for use in many courses
- See what we have or contact your librarian for a customized guide
  `http://libguides.uwec.edu`

providing access to myriad information resources
In McIntyre Library...
- Use Library Search, to find books, media, articles in McIntyre Library as well as all libraries in the UW System
  `http://www.uwec.edu/library`
- Find a database for more specialized and advanced research needs
  `http://libguides.uwec.edu/databases`

And beyond...
- Get books and other circulating items delivered from other UW System libraries in just a couple of days using Library Search. Use Interlibrary Loan to request articles and other materials from other libraries
  `http://www.uwec.edu/library/services/borrowOther.htm`

Library Services for Faculty and Staff: `http://www.uwec.edu/Library/services/infofaculty.htm`
