Fine Print on the Liberal Education Core
For College of Arts and Sciences students
BA: needs Language competency at 102 level
BS: needs Math competency (111, 112, 113 or higher)

For students in all colleges
Upper-division LE courses are not required.
Most LE Core experiences are course-based.
Some may be fulfilled outside of courses, such as undergraduate research = S3, study abroad = I.
Many courses help students meet more than one learning outcome.

An English placement score that fulfills the University Writing Requirement fulfills one S1 experience.
A Foreign Language placement score qualifying a student for the 102 level fulfills one S1 experience.
A Foreign Language placement score qualifying a student for the 202 level fulfills one exp. in S1 and R2.
A Mathematics placement score qualifying a student to enter Math 111, 112, 113, or 114 fulfills S2.
Two credits of an approved Music ensemble fulfills S3.
A semester-long study-abroad program fulfills one I exp.
