Registration, Test Centers and Dates

The GRE General Test is available at more than 1,000 test centers in more than 180 countries. It is offered as a computer-delivered test year round at most locations around the world and as a paper-delivered test up to three times a year in areas where computer-delivered testing is not available.

Review the following information carefully. There are a number of policies you should familiarize yourself with before registering.

Registration Checklist
Before you begin the registration process, it's important to review fees, make sure you pick the right test date and understand the policies and procedures. See the Registration Checklist.

Your ETS Account
In order to register for the test, view your scores, and access other services, you'll need an ETS account. Prior to creating your account, be sure to review important information about The Name You Use When Registering, including what to do if you have a name change.

ID Requirements
You are responsible for bringing valid and acceptable identification on test day, and it must bear the same name you used when you created your account and registered for your test. See ID Requirements.

Test Centers and Dates
View test centers and dates for the GRE General test. For the computer-delivered test, you can also view seat availability, though you won't be able to register without signing into your GRE Account. See Test Centers and Dates.

Register for the Computer-delivered Test
The computer-delivered test is offered year round, and you can register online or by phone. How you register may vary depending on where you will test. Register for the computer-delivered test.

Register for the Paper-delivered Test
The paper-delivered test is offered up to three times a year in areas of the world where the computer-delivered test is not available, and you can register online or by mail. Register for the paper-delivered test.

GRE® General Test Policy Information

By clicking the "Next" button at the bottom of this page, you acknowledge that you understand and agree to the policies set forth below.

Important: After selecting a date and time for your testing appointment, please complete the scheduling process within 20 minutes. Your pending reservation is not confirmed until the process is completed.

Test Takers with Disabilities
Requests for nonstandard testing accommodations must be made through ETS.

What to Bring to the Testing Center
Prometric® and ETS® maintain very strict identification (ID) Requirements. Please take the time to review the Identification requirements:

If you do not have the required ID, or if you have questions about meeting the ID requirements, you must contact the ETS Office of Testing Integrity (1-609-460-5430, fax: 1-609-460-0769, or email: TSReturns@ets.org) before you complete your registration form or schedule an appointment to test.

What Time to Arrive at the Testing Center
You must report to the test center at least 30 minutes before your scheduled appointment for check-in procedures. If you arrive late, you may not be admitted and your fee will not be refunded.

GRE Search Service

Test: GRE® Psychology Test
Test Date: Saturday, October 29, 2016
Test Center (Code): U WISCONSIN (16601)

Participating in the GRE Search Service (the "Service") is FREE for you as a GRE test taker or someone considering graduate or business school study. The Service matches prospective graduate students with participating graduate and business schools and fellowship sponsors. If you match the recruitment profile of a participating institution/organization, you may receive information about their graduate or business programs, fellowships, financial aid opportunities, and other graduate education opportunities, and by signing up for the Service you give ETS permission to share your information with participating institutions/organizations. By opting in below you also agree that you may receive information regarding other products and services from ETS. If you participate in the Service, your background information, contact information and, if you have taken a GRE test, the broad score ranges in which your test scores fall will be added as criteria to the Service database. Information provided to participating schools does not include individual GRE test scores. To learn more about the Service, visit www.ets.org/gre/stusearch.

Information provided to participating schools about you may include any of the following:

- personal information - address, gender, ethnic background, citizenship status, telephone number, and email address
- educational background - current educational status, undergraduate institution name, UGPA, undergraduate major, and date of graduation
- educational objective - field in which you plan to do your graduate work; preference of full-time or part-time graduate study; degree objective; preferred geographic region for graduate study; and intended date of enrollment in graduate school.

Your broad GRE score bands (e.g. score ranges) in combination with undergraduate grade point average may be part of search criteria but will not be released to any participating school.

Information collected by Educational Testing Service (ETS®) for use in the GRE Search Service will be transferred to Hobsons®, the organization responsible for administering and marketing the GRE Search Service as directed by ETS. By participating in the GRE Search Service, you authorize the transfer of your personal information to Hobsons for the purposes described above. Hobsons is prohibited from using your personal information for any other purposes.

If you choose to participate in the Search Service and decide to unsubscribe at a later date, you may do so at any time by contacting GRE Services at gre-info@ets.org or 1-609-771-7670.
